RECOGNIZE GOD IN YOUR ORDINARY MOMENTS  
By Colleen Jurkiewicz Dorman

**The Best Kind of Mystery**

"Do you have a mystery for me to solve?" (asks my daughter.)  
I get it. We're all this way, really. We are drawn to the mysterious, to the inscrutable. It's because we know that the answers to the really big questions are ones that can't be explained in a neat and tidy way. We know that the reality of life and love and the human condition is something we can't quite fit our heads around. We know that there is so much in this world, in this universe, that we can't...*understand*. So, in a way, mysteries are the only things that really make sense to us.  
Why do we love mysteries so much? Because God is a mystery. And that's never as clear as it is today, on the Feast of the Most Holy Trinity, the mystery that boondoggles us all. Four relations. Three persons. One God.  
Don't ask me to explain it. I could, but I don't have the word space, and frankly, it might not even make sense then. It's a mystery, you see. A real one. The best kind.

Please join us in praying for the unborn. Mass is held **each Friday** at noon outside of Planned Parenthood.

**Happy Father's Day !!**
